Contact person: Vicky Parente

Phone, email: vparente@surreyservices.org 610-647-6404

Address: 60 Surrey Way, Devon, PA 19333

Mission, primary work, founding year: Surrey inspires and enables all of us, as we age, to live with independence and dignity, and as engaged members of the community. Founded in 1981, Surrey Services provides virtual programs; technology lending service; Grab and Go meals; transportation to medical appointments and critical errands; home care services including personal care; friendly check in phone calls; and volunteer opportunities.

DEI efforts:

Organization annual budget: \$7,521,522

IRS Determination 990

Notes from Susan: This request appeared to be for operating support. The organization has operated at a deficit for 3 of the last 4 years, but has assets according to 990s. Their services are numerous and comprehensive. I recommended they focus on a particular program in their proposal, which might be caregivers of people with dementia.
