

VISION: A world where older adults have dignity and self-determination, are valued and respected, and have adequate resources, housing, healthcare, support, and community.

MISSION: Friends Foundation for the Aging is a Quaker foundation supporting organizations that provide innovative, sustainable, equitable programs and leadership to advance healthy aging for older adults and their families, grounded in Friends' values.

VALUES: FFA values are rooted in the Quaker testimonies of simplicity, peace, integrity, community, equality/equity and stewardship.
