Mission, primary work, founding year: JFS motivates and empowers people to realize their potential to achieve personal goals and enhance their quality of life through a wide range of supports regardless of their religion, race, gender, sexual orientation, ethnicity, age or background. Founded in early 1900s as a volunteer organization serving refugees, the elderly, and the poor. Incorporated in 1976.

DEI efforts: In keeping with Jewish values and the spirit of tikkun olam (healing the world) JFS provides services with integrity, compassion, respect and professionalism.

Organization gross receipts 2021: 12,065,425

IRS Determination 990

Notes from Susan: People at risk of homelessness are among the most vulnerable, and can benefit greatly by linkage to services including food and prescription assistance, as well as addressing the issues contributing to risk. It is also a diverse group, including people who have been imprisoned. The organization has a long history and good reputation, and serves a part of NJ that we have not had before.
