**SCS and Aging at Home bring peace of mind to seniors and their families.**

SCS' Aging at Home Program connects older adults with care managers, vetted contractors, and committed volunteers – all for an annual membership fee of **only \$35**. In-home and community-based services, Medicare navigation, personalized transportation, lifelong learning programs, and volunteer handyman and yardwork services are some of the other resources members of Aging At Home count on. Hundreds of your neighbors belong to Aging At Home; shouldn't you join them?
